## Cut, Paste and Decorate your own Valentine's Day Card

Making a personalized Valentine's Day card is a very special way for a child to express their love and make the day that much more special!

### Supplies:

Pencil or Pen

Colored Crayons

Construction paper (8x11) (red )

Scissors

Glue or Paste

### Instructions:

Print the sheet with the card.

Write a few words (optional)

Cut out the card on the dotted lines

Select your favorite color construction paper (8x11)

Paste the holiday card onto the construction paper, center it in the middle

Write in your name on the bottom of the construction paper

Decorate the construction paper around holiday card with colors and even glitter! (optional)

Give your special homemade card to to someone special.
